

Micro Photovoltaic Operational Insurance Policy

Please read this document carefully. Full terms, definitions, clauses, conditions and exclusions can be found within the Policy Wording.

The Micro Photovoltaic Operational policy is underwritten by U K Insurance Limited and will run for 12 months or as shown on the schedule. Cover for acts of Terrorism is available as an option upon request.

Full details of any Endorsements, Excesses or Deductibles which may apply will be shown in the Policy Schedule and Policy Document.

Section 1: Material Damage and Machinery Breakdown

Cover	Extensions included as standard (subject to certain limits)	Clauses and Conditions	Exclusions
Material damage and machinery breakdown to any photovoltaic unit including any mechanical and electrical equipment used solely in the operation of such photovoltaic unit including inverter, transformer, meter, switchgear, cabling, telecommunication devices, controlling computer, mounting structures, solar tracker, any foundations for such photovoltaic unit, substation and distribution transformers, wiring, anemometers, buildings and generator housings	<ul style="list-style-type: none"> Public authority requirements being the additional costs of repair, reinstatement or replacement (£25,000) Debris removal costs (£25,000) Professional / consulting engineers fees necessarily incurred in the investigation into repairs (£25,000) Cover whilst in transit (other than by sea or air) including loading, unloading, storage or deviation en route between the location noted in the policy schedule and any other site for the purposes of repair, modification, reinstatement or replacement (£25,000) Expediting costs for temporary repairs or expediting permanent repair (10% of loss or £25,000) Costs incurred in taking exceptional measures to prevent or mitigate impending loss, destruction or damage (£25,000) Newly acquired property (£25,000) 	<p>Clauses</p> <ul style="list-style-type: none"> Settlement will be on a "new for old" basis If any item of insured property having a measurable output is lost or destroyed (in whole or in part) and which is capable of replacement with a new similar item, the amount payable shall be as follows: <ul style="list-style-type: none"> if to be replaced by an item which has the same or lesser output, the amount payable will be the new installed cost of such item as would give the same output as the damaged item; if to be replaced by an item which has a greater total output and the replacement cost is no greater than the value of the lost or destroyed item, the amount payable will be the cost of the replacement item with no deduction for improved output; or 	<ul style="list-style-type: none"> Normal upkeep and maintenance of insured property Cessation of operation – loss, destruction or damage, where the business ceases for a continuous period of 30 days or more Loss, destruction or damage, during sea or air transit or whilst offshore Cost of improvements or overhauls following insured damage Costs associated with defects of materials or workmanship, design, plan or specification The cost of repairing, reinstating or replacing property recoverable under any guaranty, warranty or maintenance contract Wear and tear and gradually developing defects, although resultant loss is not excluded Natural settling, shrinkage, bulging, expansions in foundations, walls, floors or ceilings, although resultant loss, destruction or damage is not excluded

Section 1: Material Damage and Machinery Breakdown *continued*

Cover	Extensions included as standard (subject to certain limits)	Clauses and Conditions	Exclusions
		<ul style="list-style-type: none"> - if to be replaced by an item which has a greater total output and the replacement cost is greater than the value of the lost or destroyed item, the amount payable will be that proportion of the new installed cost of the replacement item as the output of the damaged item bears to the output of the replacement item • If a defect in any insured property indicates or suggests that a similar defect exists in any other item of insured property, the limit of liability for loss, destruction or damage, caused by or resulting from such defect shall be calculated as per the scale below, less the Excess: <ul style="list-style-type: none"> 100% of the amount payable for the first such event; 75% of the amount otherwise payable for the second; 50% of the amount otherwise payable for the third; and 25% of the amount otherwise payable for the fourth. <p>Further such events will not be covered.</p> <p>The insured must investigate and, if necessary, rectify such defect as soon as practicable on discovery in all such insured property at their own expense, otherwise the Company may suspend the insurance concerning such defect until suitably rectified</p> • Repair, reinstatement or replacement can be carried out on another site to suit the requirements of the insured • Average – If the Total Insured Value is understated then the insured will bear a proportion of any loss, destruction or damage, accordingly • 72 hours clause – a single excess will apply to loss, destruction or damage occurring during a 72 hour period as a result of a bush fire, forest fire, earthquake or other acts of nature <p>Conditions</p> <ul style="list-style-type: none"> • Manufacturers' / Suppliers' Guarantees or Warranties / Maintenance Contracts – there must be a maintenance contract in place in respect of the wind turbine generator units and distribution transformers that must be agreed to by the Company and the terms of the agreement must not be altered nor the agreement cancelled without agreement from the Company 	<ul style="list-style-type: none"> • Loss, destruction or damage, due to an intentional act, overloading, testing, experiments, imposition of abnormal conditions or wilful omission • Loss, destruction or damage, caused by theft, infidelity, dishonesty or fraud by the insured's employees • Unaccountable losses or losses discovered at times of checks or inventories and which cannot be attributed to an identifiable occurrence • The Excess specified in the policy schedule

Section 2: Business Interruption (Optional)

Cover	Basis of Cover and Clauses	Exclusions
<ul style="list-style-type: none"> Business interruption in the form of loss of gross revenue following material damage and/or machinery breakdown to insured property and increase in cost of working / additional expenditure necessarily and reasonably incurred in order to minimise the impact on the business of the material damage / machinery breakdown - provided that liability is accepted by the Company in respect of the material damage / machinery breakdown Cover under Section 1 The amount payable shall be up to 125% of the estimated gross revenue specified in the policy schedule 	<p>Basis of Cover</p> <ul style="list-style-type: none"> If the sum representing 125% of the estimated gross revenue is less than the annual gross revenue, or a proportionately increased multiple thereof where the maximum indemnity period exceeds 12 months, the amount payable shall be proportionately reduced Professional accountants fees incurred in order to produce information required by the Company in respect of a business interruption claim (£25,000) <p>Clauses</p> <ul style="list-style-type: none"> Declarations of gross revenue are required prior to renewal each year Value Added Tax - to the extent that you are accountable to the tax authorities for Value Added Tax or similar tax, all terms shall be exclusive of such tax 	<ul style="list-style-type: none"> Loss of Gross Revenue for any time during which the Business would not or could not continue if the material damage or machinery breakdown had not occurred Consequential losses not specifically covered by the policy including but not limited to penalties for delays or non completion of orders, fines, liquidated damages, guarantees of performance or loss of contracts Loss of Gross Revenue arising out of your failure to use due diligence and dispatch and all reasonable means in order to resume business following material damage or machinery breakdown Loss of Gross Revenue arising out of the deliberate act or omission of the electricity supplier or authority or Grid operator Loss occurring during the time deductible specified in the policy schedule

Instalment Payment Method available in most cases

Your right to cancel

If this cover does not meet your requirements, please return all your documents and any certificate to the broker, intermediary or agent, who arranged the Policy within 14 days of receipt. We will return any premium paid in accordance with the General Condition - Cancellation.

Cancellation

If you wish to cancel the contract at any other time, please contact the broker, intermediary or agent, who arranged the Policy. Any return of premium will be made in accordance with the General Condition - Cancellation.

How to make a claim

Please contact, in the first instance, the Broker, Intermediary or Agent who arranged the Policy. Please quote your Policy Number.

How to complain

If you have an enquiry or complaint arising from your Policy, please contact the broker, intermediary or agent who arranged the Policy for you. If the broker is unable to resolve your complaint or it is regarding the terms and conditions of the policy they will refer it to NIG.

If your complaint is still outstanding you can write to NIG direct at the following address, quoting your policy number.

The Chief Executive,
NIG, Churchill Court, Westmoreland Road, Bromley BR1 1DP.

Once you receive a written response and if you remain dissatisfied, you may refer your complaint to the Financial Ombudsman Service (FOS). Their address is:

South Quay Plaza, 183 Marsh Wall, London E14 9SR

Telephone: **0800 023 4567** or **0300 123 9123**
